

**CAMBRIDGE**  
PRE SCHOOL & DAY CARE

## Where Every Day is a New Discovery:

Froebel Cambridge is recognized as one of the best curriculum-oriented preschool programs in India. We have thoughtfully designed a child-centric, play-based program that integrates the philosophy of Froebel with the academic strength of Dr. Maria Montessori.

## About Us:

Our curriculum is enriched through the use of modern digital technology, Montessori materials, literary arts, and the sociological foundations of education. We incorporate sensory training, nature study, and a play-based approach to provide meaningful and immersive learning experiences.

## Vision:

We envision a world where every child is empowered to achieve their fullest potential. At Froebel Cambridge Preschool, our vision is to nurture a warm, engaging, and stimulating environment that supports the holistic development of each child intellectually, emotionally, socially, and physically.

We are committed to building strong partnerships with parents and the community, working together to ensure the growth, well-being, and success of every child entrusted to our care.

## Mission:

Our mission is to provide a joyful, high-quality learning experience that inspires children to develop a lifelong love for learning.

“Good education can change anyone. A good teacher can change everything!”

Our caring and qualified teachers give each child personal attention, helping them feel confident and included. We believe strong teamwork between parents and teachers is essential, so we emphasize open, honest communication and collaboration.

## 1. Whole-Child Approach:

We embrace a comprehensive educational model that supports every dimension of a child's development cognitive, emotional, social, and physical ensuring balanced and meaningful growth.

## 2. Personalized Learning Journeys:

Every child is unique. That's why we design customized learning paths that reflect their individual interests, strengths, and developmental pace, ensuring optimal engagement and progress.

## 3. Experimental Learning:

Our curriculum brings concepts to life through hands-on, experiential learning that sparks curiosity, builds critical thinking, and cultivates real-world problem-solving skills.

## 4. Fostering Emotional Intelligence:

We intentionally nurture emotional well-being and social awareness, helping children develop empathy, resilience, teamwork, and effective communication practices.

## 5. Future-Ready Teaching Strategies:

Incorporating modern pedagogy and technology from interactive smart boards to dynamic learning tools we create engaging and relevant experiences that prepare children for the world ahead.

# Our Unique Strengths (USP)

## Qualified Preschool Teachers

06

- Build Strong Relationships: Connect warmly to create trust and joy in learning.
- Adapt to Individual Learning Styles: Observe and tailor teaching to each child.
- Trained in ECCE: Strong communication and classroom Management skills.

## Froebel Study Material

05

- Colorful and Child-Friendly: Bright pictures and layouts make learning fun.
- Age-Appropriate Content: Tailored to match each child's developmental level.
- Interactive Worksheets: Involving drawing, matching, tracing, and coloring.

## Smart Boards

04

- Keep It Visual and Colorful: Use bright colors, pictures, animations, and large fonts.
- Touch and Drag Activities: Matching shapes, sorting colors, counting exercises.

## Montessori Activity Lab

03

- Hands-On Learning: Children explore using real objects and materials.
- Self-Paced Activities: Kids choose tasks and work at their own speed, building independence.
- Sensorial Play: Special tools help sharpen senses—touch, sight, sound and more.
- Focus and Concentration: Calm, quiet spaces encourage mindful learning.

## Nurturing & Caring Environment

02

- Safe and Loving Atmosphere: Children feel secure, valued and loved.
- Emotional Support: We help children understand and express their feelings.
- Respect for Every Child: Each child is treated with care and attention.
- Comfort Like Home: A cozy, cheerful space where children feel happy and relaxed.

## Splendid Curriculum

01

- Play-Based Learning
- Creative Activities
- Language & Literacy
- Math & Thinking Skills
- Physical Development
- Social Skills
- Confidence Building
- Theme-Based Learning

# Froebel Cambridge Preschool Programs:

## Pre Nursery (1-3 Years)

05

## Montessori Lab

Hands-on fun and curious minds, where every child explores and shines. From art to science, we create and play at Mont Lab.

06

# What Sets Froebel Cambridge Preschool Apart?

## Froebel Cambridge Preschool

### 1. Educational Philosophy

Inspired by Froebel's philosophy: structured freedom, child-led exploration, and creative growth.

### 2. Safety, Health & Hygiene

Strict safety protocols, regular sanitation, health-first environment.

### 3. Life Skills & Independence

Hands-on, practical life learning; child-centered pace; personalized learning plans.

### 4. Holistic Child Development

Equally nurtures emotional, cognitive, social, and creative growth.

### 5. Innovative Learning Environment

Interactive smart tools, sensory-rich labs, tech-enhanced lessons, and flexible classroom design.

### 6. Quality of Educators

Highly qualified, caring teachers trained in Froebel and Cambridge methods; low teacher child ratio.

### 7. Parent Collaboration

Strong parent-teacher partnership; frequent communication; workshops and empowerment programs.

### 8. Emotional Well-Being Focus

Mindfulness, empathy-building, and safe emotional spaces integrated into daily routines.

### 9. Global & Future- Ready Learning

International curriculum, curiosity-driven learning, and skills for adaptability.

## Other Preschools

Often follow rigid, academic-first models with limited emphasis on play-based exploration.

May not consistently prioritize high-level sanitation or structured safety frameworks.

Focus more on uniform academics; limited emphasis on independence or real-life skill development.

Primarily focus on academics; emotional and social development often overlooked.

Traditional classroom setup; minimal use of digital tools or experiential learning materials.

Standard teacher-child ratios; may lack continuous training or multi-method expertise.

Limited engagement beyond formal PTMs; few opportunities for parent involvement.

Emotional learning is often secondary or reactive rather than proactive.

Locally adapted curriculum with limited future readiness or global perspective.
